Signed.....Donald Berment, Secretary/Director NOTES BELOW:-

The Directors, Members and Volunteers, which comprise the Nonprofit MAVAW, Men Against Violence Against Women, are not paid any fees or salaries and work from their Personal Government Tax Allowance allocated every month of $6,000.00 TT, ($72,000.00TT Annually), which is already tax exempted. They also function in spaces used for their personal and private purposes and incur no cost as a result. This methodology was a necessary aspect to the design of MAVAW to ensure maximum efficiency, minimum accounting Records and lifelong Sustainability as a Philanthropic Organisation, seeking solutions to problems in National Development as opposed to providing Charity in individual cases.

This system of management has proven to be very successful one, over the years since its conception in 1994, startup in 1994 and Formal registration in August 1998, when compared to the high Operation Costs of so many other nonprofits, especially in the area of Staffing, at times under funding the outreach work in urgent need to be done because of inadequate support funding. MAVAW is also a Registered Charitable Organisation, Ref.: F (BUD):7/4/205 since June/11/2002.

The Registered Legal and Status Confirmations of MAVAW are located in a Cloud Archive :- https://www.archive.org/details/@mavawsec. Search the following terms on locating mavawsec.
